# VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

## Advice for J.H.

Dear Virgin Territory,

This letter is for J.H. from Aberdeen, South Dakota. I was reading your letter in the Dec. '18 issue. Don't try one of your pick-ups as it would make you look desperate and put the girl off. Try to make friends with a girl at your local shop or bar. Build a friendship over time and you will know when a girl likes you as she will be very happy to see you and very interested in you. But don't tell her you're a virgin as that will put her off. Teen girls want men who have had lots of sex, so just make it seem like you have. As long as a girl can get two fingers up her fanny you will be okay. If you cum too fast just tell her it's 'cause she's hot and you have not had sex for a few weeks. You will be okay if you can get hard fast. Good luck. Take your time. It will be worth it in the end.—J.M., Falkirk, Scotland

Dear J.M.,

Thank you for responding to J.H.'s letter for help. We're sure he will greatly appreciate your advice.

## The Virtue of Charity

Dear Virgin Territory,

Charity from Oct. '17 is a cool glass of water to this abstinent man who is thirsty for a reason to give a damn. I ain't got much in life but the sight of her keeps me going. I am an Urban Taoist Hermit in Providence, Rhode Island and a practicing Buddhist and Episcopalian. I

can see in her eyes that she is in love with life. If you can, tell her she has a big fan who wishes the best in life upon her. In my fantasy, she goes to college to get a degree to become a medical imaging technician in an ultrasound job. She falls in love with a guy down on his luck. He can't resist her. She can't abandon him. They build a life. They buy a home. They start a family. They are happy. So happy that God blushes and says, "That, my friends, is love. And if you say otherwise...well, don't get me started."—Q.E., via email

Dear Q.E.,

*It sounds like you live an interesting life. We're glad that Charity could spark a moment of happiness for you.*

## 18eighteen is for Millennials, too

Dear Virgin Territory,

My younger brother and I bond over your magazine. He was the "happy accident" and is 15 years younger than me. I'm 42; he's 27. He's familiar with Internet porn, but I've exposed him to the joy of dirty magazines, as it is truly a lost art with the younger generations.

He wasn't much interested at first, but he's coming around to it.

Everything old eventually comes back in style, and at some point I'm sure it will be trendy to like porno mags again. I told him he'll be ahead of the curve when that happens.

I have a funny story you might enjoy. I let him borrow the Vol. 22 No. 1

**Millennials can learn a thing or two from our mag. Like what a real bush looks like.**

issue and he was shocked by Candy's bush. He had never seen a bush like that before, and didn't even know that girls were capable of growing that much fur down there. I grew up in a time when girls didn't really trim the hedges, so I've had my fair share of bush and enjoy it from time to time. I think he's still trying to wrap his head around it. In any case, please keep showcasing a wide variety of girls, especially for the inexperienced millennials who happen upon your magazine.—T.Z., via email

Dear T.Z.,

*That's a great story. There's nothing like brotherly bonding over a porn mag!*

## Inspired by Elis

Dear Virgin Territory,

Where do you find the girls who are willing to shoot for your magazine? When I was their age (hell,

**Sexy Charity fuels fantasies both wholesome and naughty.**

even now), the girls were too uptight to ever do something like that. I guess that's what I get for growing up in a conservative town. I need to get the hell out of here so I can meet a cute, young thing like Elis who is freaky and fun. I also want to add that the photo of her on the cover is one of the best you've had in a long time. She pulled me in with that sultry look on her face and those open legs.

I love the look of girls with no bra, especially when they're wearing a white t-shirt and we can see their nips underneath—like how Elis is dressed in the beginning of her layout. I'm with the feminists; all women should go braless! Elis is just so cute with her blonde hair, blue eyes and bubble butt. I can't stop looking at her photos and daydreaming about all the naughty things I'd do to her.

I imagine her coming over to my place in that uniform and teasing me with her white panties. She gets on my couch on all fours and sticks her butt in the air. I come over and start rubbing her ass. Then I pull her panties aside and lick her pussy and ass from behind. My cock is throbbing at this point, so I pull her panties off and start rubbing my cockhead against her wet slit. I inch my way inside her tight pussy and start fucking her from behind. Slowly at first,

and then harder as she adjusts to my cock. We switch, and she gets on top, riding me until my balls are covered in her juice. Right before I blow, she gets down on her knees and swallows every last drop. What can I say? Elis is a very inspiring girl.—D.D., Oklahoma City, Oklahoma

*Dear D.D.,*

*As natives of Miami, FL, a city known to be a party town, we highly recommend moving to a place where the people are free, wild and sexy. It would greatly increase your chances of finding a girl like Elis.*

## Lovin' the Puffs

*Dear Virgin Territory,*

I love puffy nipples! It always brings me such joy when you have a puffy babe in your magazine, and so naturally I was thrilled to see Kim in your Vol. 22 No. 1 issue.

Is it just me, or is one of her nipples more puffy than the other? I love unique features on a girl, and if this is the case, then that makes Kim even more special. I must also thank you for the full-page close-ups of Kim's nipples. If a girl has puffy nipples, we damn well want to see

them! You also did a great job of not letting her nipples get too hard throughout the photoshoot, as that tends to reduce the puffiness.

I think the last photo of her on page 35 is my favorite. She has that dildo inserted a good depth into her lovely pussy and her eyes are closed in ecstasy. But best of all, that one nipple looks extra puffy and protruding in this shot. Profile and three-

quarter shots are always the best for showcasing puffies, and here we can see the protuberance of her nipple contrasted against her long, dark hair.

Aside from her puffy nipples, Kim is quite the attractive girl. Clear, bright eyes, smooth skin and taut tummy. And so I don't completely objectify her, she seems like a nice, sweet girl as well. I'm sure she has a sparkling personality to go along with her looks. I wish her all the best and thank her for sharing her supple body with us.—L.C., Norfolk, Virginia

Dear L.C.,

Yes, it does appear that one of Kim's nipples is more puffy than the other. Very astute of you!

### Cum to Vienna

Dear Virgin Territory,

I've been waiting to see Vienna's XXX layout for a while, and my cravings were finally satisfied. I love blondes, and Vienna caught my eye from the first time I saw her. (On a side note, she could be sisters with Elis.) I liked that she was already sucking cock on the first page, and on the second page we could see her pussy and asshole. There were lots of great photos of Vienna. She has a great pussy, which was showcased beautifully on page 57. The doggie-style shot of her on page 59 also made me feel like I was right there.—A.T., Chula Vista, California

best thing there is. She's certainly on her way to getting DP'd by the time she's in her mid to late twenties! I know she's got a wild streak to her, especially with those pierced nipples. And with that smokin' bod of hers, I'm sure guys love to fuck her as much as she loves to get fucked. I can't wait to see what hot hardcore she has in store for us. All those spread butt-hole shots of her have got my mind in the gutter. Looking forward to seeing her again.—F., via email

## MOVIE PICK

Fucked teens with cum  
dripping off their faces!

# Nut-Faced Teens

Febe Marie

The teens in this flick are extra naughty. After sucking cock till they gag and getting fucked hard, they want their pretty faces doused with cum. It's slutty. It's raunchy. And it turns them on. Febe gets completely turned out by JMac's huge cock in her first-ever scene. She rubs his massive load into her face at the end. Sophia is curvy and cock-hungry. She rides to cum and takes her facial with her tongue out.

Sophia Lux

Available on  
  
Blu-ray Disc

Madison Breeze

Madison is a self-described "shy type." She starts off her scene a little reserved, but opens up once this guy's hard cock comes out. She shows us why her nickname is Magic Mouth with the way she passionately sucks cock. By the looks of it, she should also be called Magic Pussy. Violet is a tiny-titted cutie who lets her boyfriend record their fuck session. She's tiny with a fat ass, and those cheeks jiggling in doggie-style are what makes her boyfriend spray her face.

## Kelsey Kage

Kelsey is a girl-next-door with a tight, petite body. Watching her tight pussy slide up and down a long cock is a treat. Watching her get a facial with a satisfied smile is even better. Vanna has

all the goodies to make a guy shoot a huge load: a pretty brace-face smile, a tight body and long, red hair down to her ass. In the end, she gets the facial she deserves.

### **She's going from sheltered to sexy.**

Karina grew up as an innocent church girl with strict parents. There's a lot she didn't know about the world until recently. "My parents' explanation for where babies came from was the stork. I didn't learn about sex until I got to high school. My friends were the ones who told me. I was also forbidden from wearing tight clothing and watching most movies."

KARINA:

# Wide-Eyed & Willing

### So how did you end up posing nude for us?

"I had all these sexual urges that I didn't know what to do with. I was afraid to masturbate because my parents said it was bad. Now that I'm 18, I want to explore my sexuality. If my friends are doing it, it can't be that bad. This is crazy for me, but I've never felt so alive."

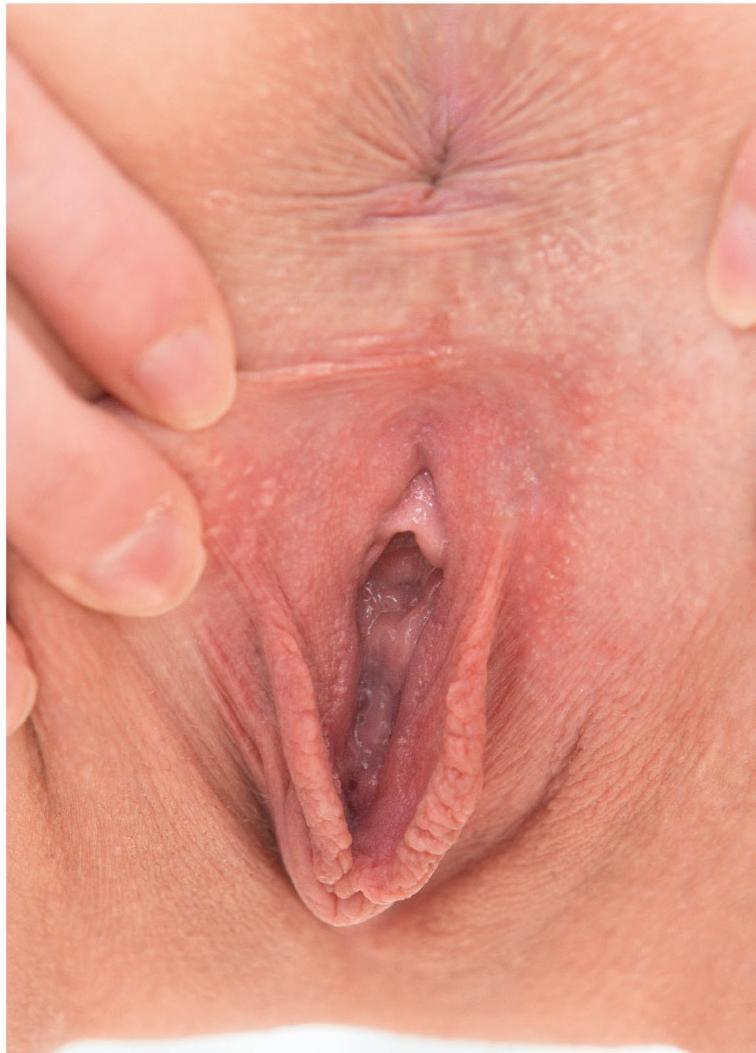

## Have you ever had sex before?

"I just recently lost my virginity. I was taught to wait till marriage, but no way I could wait that long. I snuck out to a get-together at a friend's house, and I started making out with this guy. My panties got soaked and I just wanted to have sex so bad. So we went upstairs to a bedroom and did it. Now I can't stop thinking about it!"

Sheila was at her wit's end. She didn't know what to do, and couldn't ask anyone for help. She was rapidly running out of clothes that fit, blooming from an A-cup flattie into a curvy, stacked D-cupper in almost no time. Even her best friend couldn't understand her plight. Luckily, one of her brother's friends turned out to be more than willing to help, now that she was...

"Guess who was just giving you the eye?"

Sheila didn't bother. It could have been anyone. Guy or girl. For all she knew, it was one of her teachers, kinky as that felt. Mina, her best friend, waited for an answer.

"What's with you?" she asked. "And why are you trying so hard to hide behind your stuff?"

Mina didn't understand because none of the girls in the locker room were making comments about her having implants, ridiculous as that was. But then, Mina didn't care much what anyone said—about anything. She'd even offered to throw down with Leslie Dowd, who'd started the stupid rumor about the implants. Naturally, Leslie declined.

She'd started carrying around her loose-leaf binder again, since she couldn't rely on her tablet to hide her boobs—the current subject of said rumors—any more. Well, not unless she carried it landscape-style, which was like wearing a billboard that said: Please, Stare At My Tits.

Not that anything else she'd tried was working. Sheila couldn't believe it. Nothing she owned fit. Her favorite bra? The one she'd gotten at Christmas? She'd undone the straps and loosened the clasps to the point that, sure, it covered her boobs...kinda...but more bulged out than was being held in. Worse, that bra wasn't going to last much longer. Not if this 'growth spurt' didn't stop. Like, right now.

Three cup sizes in four months. Could she really blame Leslie for the implants rumor? It sure felt like her breasts had ballooned overnight, which, of course, had all the guys looking. Trent, one of the nerdier boys from gym class, didn't even try not to stare. Yesterday, down to one athletic top, the school logo was stretched so much you couldn't read it. Trent spent the whole class with a hard-on. Something else he didn't try to hide, which Sheila found a little edgy, but at the same time...it had totally gotten her wet. Sheila was no mind reader, but she knew exactly what Trent wanted to do with her. Even though he was considered pretty un-cool, given the size of the bulge in his shorts, she wasn't the only girl who went back to the locker room with dewy bloomers. Trent wasn't the only guy enjoying her doing jumping jacks, but he was the only one who'd had an erection for forty-

five minutes!

"It's embarrassing, Mi. I get any bigger and I'm going to have to go down to the thrift store and buy a bunch of men's ugly bowling shirts!"

"Ask Mrs. Lane if she still has her maternity clothes from last year," Mina joked, giggling.

"Gee, thanks!" Sheila shot back, grimacing at the mention of their Math teacher, who'd been pregnant the previous semester.

"At least yours aren't huge 'cause of that," Mina said, not exactly softening the blow. True, lots of guys were looking at Sheila now that she had it going on upstairs, but it hadn't translated into any dates. Mina said it was only because they were worried about getting shot down, but whatever the reason, the only action Sheila was getting was the AA battery kind. Even more depressing.

They stood at the lab table in Science class, Sheila's last comfortable blouse showing signs of stress. That morning, she'd barely managed to get it buttoned.

"All right," said Mister Tedesco. "Now drop in the ice."

Good, Sheila thought, dumping the bag into the bucket with the stinky chemicals. How she'd gotten stuck with this part she had no idea, but holding the ice bag had her nipples jutting out so far they—

*Sprooiiing!*

Her button didn't actually make that sound when it flew off her top, nearly taking out Aaron Black's eye as it shot across the table, but it may as well have.

"Whoa! I surrender!"

He put his hands up. Everyone at the table started to laugh. Even Mina. Sheila looked down in horror. It wasn't the top button, but the second one down. The gap where her boobs were pushing open the fabric looked like a diamond of nothing but cleavage. She turned away, panicking.

"Here," Mina said. "Let me see."

"I've gotta go home!" Sheila cried. "I can't walk around the rest of the day looking like this!"

"Oh, it's not that bad," Mina said, unfastening Sheila's top button.

"What are you doing!" Sheila hissed, her cleavage deep enough to hold a soda can.

"There. Looks fine."

Fine...if you were trying to look slutty, she thought. Still, the rest of

her blouse hung a lot better with the top buttons undone. Despite more tit on display than she felt comfortable with, she didn't look like an idiot.

Class ended, and she rushed to the girls' room. Meg Casey took one look and gave her a wolf whistle. Sheila stared into the mirror.

Her tits looked enormous. It was obvious her bra wasn't seated right, but there was nothing she could do about that. At least the blouse would survive. Two more classes. Ninety minutes, and the walk home. She could handle that.

Maybe.

The rest of her blouse hung a lot better with the top buttons undone. Despite more tit on display than she felt comfortable with, she didn't look like an idiot.

and her mom was at work. Spinning around, she found Todd, one of Greg's college buddies, watching her. Appreciatively.

"What are you doing here?" she demanded, covering up as best she could. Todd leaned against the door.

"I left my Yeti here last night after work," he explained, pointing to the tumbler on Greg's desk. "Didn't expect you to be raiding his closet, though. Bro's not exactly stylish."

"Yeah, well," Sheila shrugged, hoping Todd would take his cup and leave. Her face was turning bright red. She struggled to avoid looking at his crotch. Todd could've been Trent's brother.

"So," he went on. "What could you possibly need a FFDP shirt for?"

"To cover my freaking ti—" she began, catching herself too late. This wasn't Mina she was talking to. How could she have let that slip?

Todd grinned. Stepped into the room. Sheila breathed a sigh of relief, expecting him to grab his cup. He stopped at the last second, though, and tugged down Greg's shirt.

"More fun if you didn't," he said, invading her space, getting right up against her before she knew it.

"You look much better this way."

"Ohmygod!"

Todd pulled her close, pressing his lips to hers, the scent of his aftershave sweet in her nostrils. She trembled, uncertain. She could feel Todd, down there, against her upper thigh. She should do something, she thought. Maybe...maybe what? She had no clue. Todd's hand explored her backside.

Say something, she thought. Tell him you need to get back to your room and study.

She tried. At least, she pretended to. Opening her mouth to speak allowed Todd's kiss to intensify, his tongue darting into her mouth. She matched the gesture while running her fingers through his hair, girl crème leaking into her panties. She moaned into his mouth as he worked his hand into her jeans.

"Todd, I—"

"Think this needs to go? Sure, no problem," he replied, unsnapping her bra one-handed, finishing the sentence she'd started.

He pulled off her bra, exposing her large boobs, cupping one. Her nips

CARMEN:

# FARM FRESH

**Farm girls are some of the freakiest!**

Carmen's family lives on a farm and she often works in her dad's stable. Although it sounds wholesome, Carmen is anything but. Sure, she comes across as fresh-faced and sweet. But she's really a bit of a wild child. Carmen likes rough sex and her favorite position is standing up.

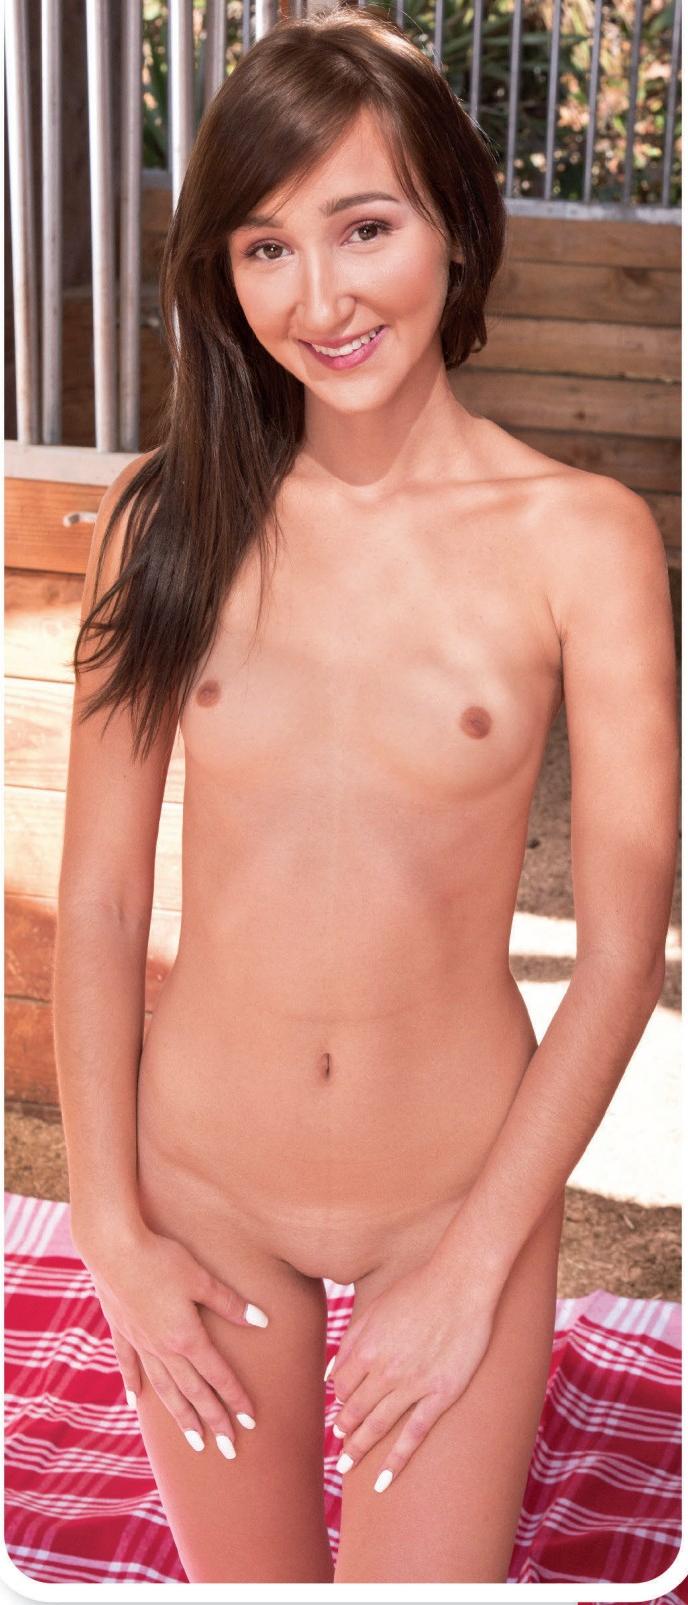

## What turns you on, Carmen?

"I'm obsessed with having sex pretty much anywhere but a bed. I've done it at school and in a car, but I want to try fucking in as many places as I can. I get a rush out of it. The next place I want to fuck is our stable. I want a hot guy to pull my pants down and fuck me hard from behind while I'm standing up. I don't have anyone lined up just yet, so I'll settle for masturbating in there first."

## Do you play with yourself often?

"All the time. I need to cum constantly. On Sundays I normally don't have any chores, and a lot of the time I'll spend like half the day masturbating and cumming over and over again. I'll even pack up my toys and find somewhere on the farm to cum. Unless I have a guy to fuck. Then we're going at it all day. But whether I'm alone or with someone, I always have a Sunday Cum Day."

KYLER:

**Fresh Schoolgirl**

## If a girl tells you she's innocent, she isn't.

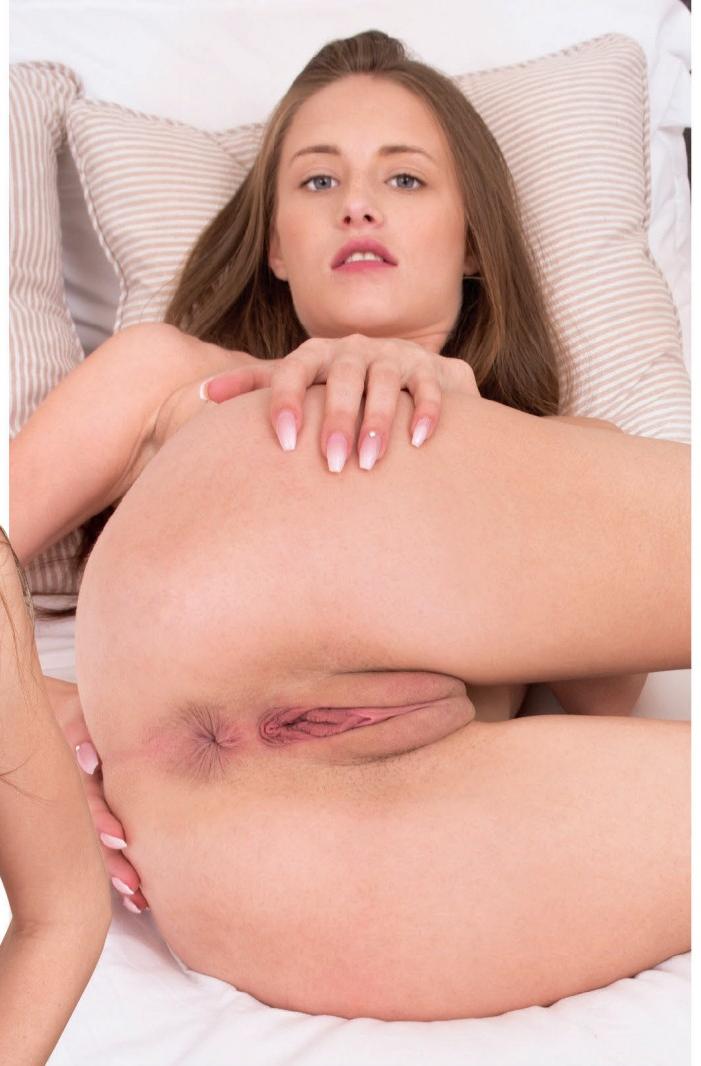

Kyler says her special talent is being sweet and innocent, but we have a feeling it's just an act. She's fucked in a church, in a car in a parking lot and in her bedroom while her mom was sleeping. She always swallows. She likes older men. Not exactly sweet and innocent, but her naughty secret is safe with us.

## **What kind of panties do you wear?**

"I like regular cotton panties. But sometimes I don't feel like wearing any under-wear...or any pants. In that case, I just put on a big shirt with nothing underneath and go. I find it exciting knowing that I'm out in public in this giant shirt and I'm totally naked underneath it."

### What sexually satisfies you the most, Kyler?

"Always a dick! And anal play is always fun and kinky. I don't have a favorite sex position. I like to try them all as long as they feel good. I like to get fucked rough, but not too rough from some angles. I like it when the guy is energetic and can surprise me in bed. Eventually I would love to have an experience with another girl. And having a three-way is definitely on my bucket list."

SVEERA:

# Tight Delight

## How does a straight-A student end up doing porn?

Sveera says she was a nerd in school who always got good grades. You might think a girl like that wouldn't suck and fuck on-camera, but think again. "You can be smart and horny at the same time. And nerdy girls are some of the horniest around. While all the guys were drooling over stuck-up cheerleaders who wouldn't give them the time of day, my geeky friends and I were dying to practice our deep-throat skills."

## **When did you start having sex?**

"Not until after I graduated high school. I would've liked to have sex before, but I was awkward. Now I'm more confident in myself. I started getting into my fitness and I saw my body tone up, and that made me want to be naked more. Now I'm fulfilling my fantasy of doing porn."

### Was this the biggest cock you've been with?

"Yes, for sure. I felt him deeper in my pussy than any other guy before. I never cared about size, but I guess that's because I'd never been with a huge cock. Now I know why girls become size queens. Being stretched out like that makes you cum harder!"

## Vanna would rather study sex.

Vanna is studying to get her GPA up. Instead, she gets her teacher's cock up. He tells Vanna she needs to have more fun and not study as much. Vanna is relieved to have permission to cut loose. She's been sexually frustrated from studying so much, and now she can finally have some naughty fun.

VANNA:  
**Nerdy to Naughty**

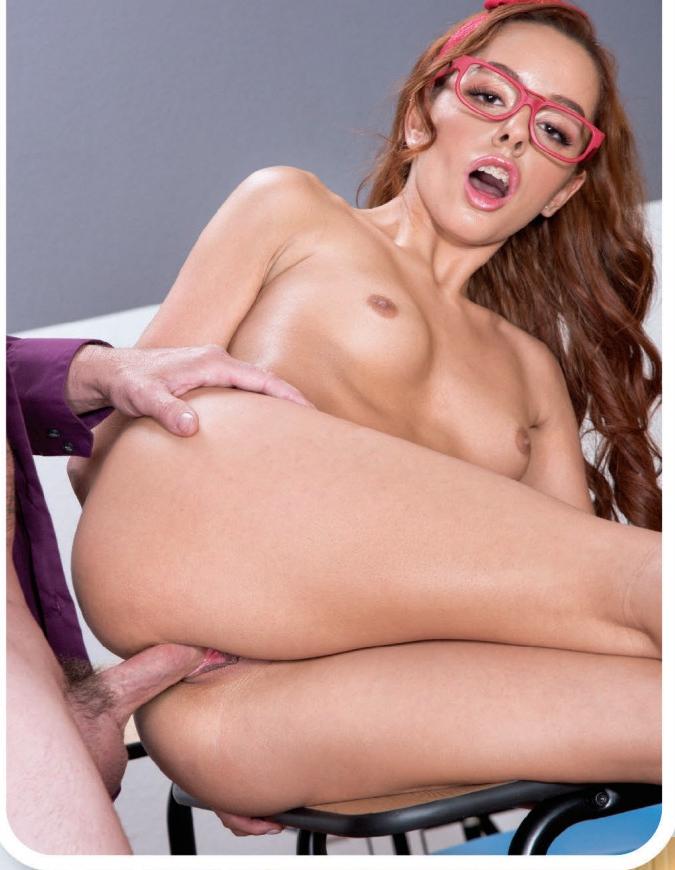

### Vanna is a grade-A fuck!

Vanna has long, wavy, red hair and a sexy, slender body. She has a cute brace-face smile. It's no wonder her teacher gets harder than a ruler. She swallows his cock down to the balls, deep-throating him with ease. She passionately sucks his balls while jacking his shaft. Then they start fucking on the desk.

## **How did you feel about fucking your teacher?**

"There was so much sexual tension between us...I knew it was wrong, but I really wanted to suck his cock and fuck him. He was hard, and his cock felt so hot going in my mouth and pussy. I just wanted to be bad for a bit, and it felt so good. Especially when he came on my face."

Continued from page 28

were rock hard, pink and swollen. Todd's lips on them made her dizzy.

"Todd!" she gasped. "Th-that feels...amazing."

She shoved her tits into his face, ecstatic at the feeling of him sucking them. Lube ran freely down her thighs, her twat oozing. Todd took his hand out of her pants and wrestled them open, mouth planted on her firm buds.

Sheila couldn't focus. Her brother's friend was literally stripping her naked in his room, and she wasn't stopping him. Fooling around with him, here? That felt...she wasn't sure how that felt. Then it struck her. It felt dirty. Like, really dirty. That, and Todd's middle finger finding her greasy crease...that made it twice as hot.

"C'mere," he told her, putting her in front of Greg's mirror and making her watch him pull down her soaked white cotton undies.

The orgasm was small, but unmistakable. Todd chuckled when it hit

her, sticking his middle finger between her folds. Her clit was throbbing, her dark pubes pasted to her pussy lips with her wetness. Todd nibbled her neck.

"Cross your arms," he instructed. "Like this."

She did, holding her elbows, forearms across her belly. She gaped. It made her tits look even bigger.

She bit her bottom lip, Todd's finger penetrating her. Another small climax made her lean back, resting against him, his dick resting in her ass crack.

"I am so horny," she told him, rubbing her thighs together. Todd pulled his finger out of her snatch. Sheila bounced on her toes, prepared to beg him to put it back. Instead, he put it in his mouth, studying her reaction in the mirror. Her D-cups quivered. Todd shifted his weight, hips pressing into hers. That was when she noticed. Somehow, without her noticing, Todd had dropped his pants.

"What do you think, She? Empty bed, right there."

"I want you to taste me again," she told him, the words dripping out of her mouth the way her juices were dripping out of her box.

Todd carried her to Greg's bed, tossed her down and spread her legs, diving into her gooey cunt. Sheila grabbed his hair, her thighs pinning his face to her bush, squealing as he ate her to her first full-on cum.

"Oh! Todd! It's so good. I'm getting close again. Pleeaassse, don't stop!"

He tongue-fucked her with a vengeance, alternating techniques, teasing her clit and then letting it be, then parting her lips and honing in on her snug, little fuckhole. Just when she thought she couldn't take it any more, he'd back off, returning to her puffy, pink button. Sheila came and came again. The fourth time, or maybe the fifth, she couldn't keep track, she arched her back and cried out, her orgasm so intense she couldn't get enough air. Todd let go of her boobs, preparing to fingerfuck her some more.

"No," she said, stopping him. "Get up here. It's time you put that thing in my mouth."

Todd obeyed, straddling her chest, cock bobbing by her chin. Sheila only stuck out the tip of her tongue, though, teasing it.

"Un-unh," she said, voice sounding

strange as she spoke with her mouth open. “You do it. Put it in.”

Todd’s prick twitched. He grabbed the sides of her head, shoving his glistening cockhead between her lips. She got her first taste of him.

“Deeper,” she mumbled around his shaft, turning her head so that his tip bulged against her cheek. Todd dug it, watching her as she swallowed his meat. She snagged his balls, gulping down more dick. Now, he was in her throat, rocking back and forth, her boobs squeezed against his butt.

It was like a dream. Sheila had known Todd since he and Greg had met in sixth grade, but she’d never thought about doing him. Now, she couldn’t imagine why she hadn’t. Focused on getting him to shoot in her mouth, she worked every inch of him, playing with his heavy balls.

Oh yeah, she thought. She could tell. He needed to empty those bad boys, and soon. She believed it was 50-50 that she could swallow all his jizz. If he unloaded the way she expected? Probably not. There’d be cum all over her face. The thought turned her on.

Todd was on all fours, humping her face, his balls dangling across her chin. Sheila sucked for all she was worth, fantasizing about gagging on his load, when he withdrew, breathing hard. Taken by surprise, Sheila opened her eyes, fully expecting Todd to glue them shut. Instead, she found him looking back, his raging hard-on absolutely fucking enormous.

She followed his gaze. Past his spit-splattered prick, his taut nutsac and between his legs, to where her boobs were slapping together while she fought for breath. She had to admit, they looked good. Porno-good.

“You ever had one of your boyfriends fuck ‘em before?”

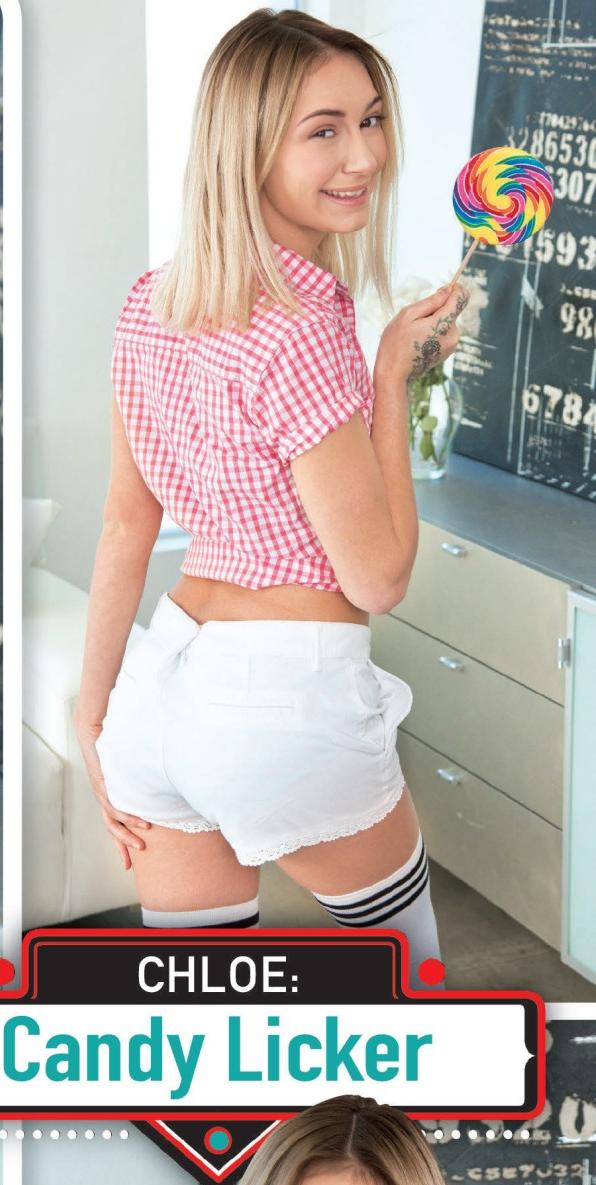

“What? My boobs?” she asked, not sure she’d heard him right. Was he serious? Bad enough she hadn’t had a boyfriend since last summer, but, fucking her boobs? It sounded weird, sure, but the thought of Todd actually doing it ramped the squelchyness between her legs up to 10.

“N-no,” she admitted. “Never.”

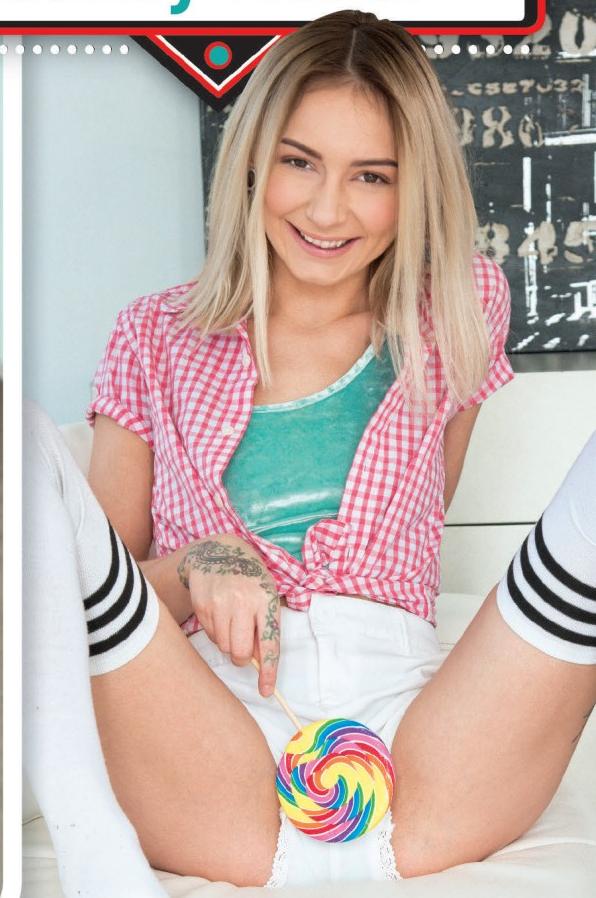

“How about letting me be the first?” he asked, running his fingertip across her lips.

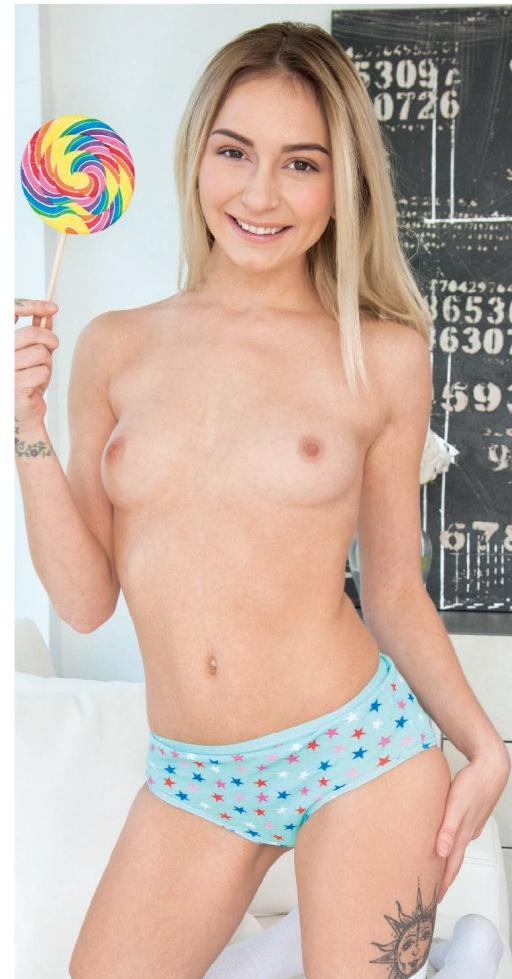

The look on her face was all the confirmation he needed. He had to

## **What else turns you on?**

"I'm bi so I'm into girls and guys. I love preppy, pretty girls. Here's a little secret: I'm really good at initiating three-ways. It's my favorite because I get the best of both worlds—sex with a guy and a girl! Although I also like sex with two guys or with two girls. Other than that, doggie-style is my favorite position, and I love blow jobs and swallowing cum. It's probably because I have a big appetite!"

push way off the mattress just to get over her boobs, leaving a streak of pre-cum between her titties.

"You ready?" he checked. Sheila knew he was wondering if she was going to back out. Instead, she grabbed hold of her breasts and squeezed them together, teasing her perky nips with her thumbs. Was she ready? Oh, fuck yeah.

Todd thrust between her big, juicy tits, his cock well-oiled, covered in spit and pre-cum.

"Leslie Dowd's right," he said, driving his full length into her sweaty cleavage. "You do have the best rack at Lynwood."

"I, I do?" she blurted, nearly losing hold of her all-natural knockers. She squeezed them tighter. Todd's shoulders tensed as he watched.

"Without a doubt," he assured her, really going at it now, banging away at her well-rounded knobs. He stuck two fingers in his mouth, then spread them around one nip, giving it a subtle pinch.

"Ungh!" Sheila moaned, the sensation traveling straight into her twat. Her shoulders pulled back, giving the illusion that her breasts had just added a size.

"Oh, man," Todd grunted, holding up for a second, letting Sheila's tits cradle his shaft. She leaned forward, lapping at the tip of his cock.

"Do the other one," she pleaded, her breasts on fire. Todd started to, but stopped before touching her.

"Un-unh," he said. "You do it."

Finding that erotic as hell, she let go of her right boob, holding it in place with her inner arm. Sexy as that looked, Todd halted her.

"No," he said. "The other way. The hot way."

Sheila hesitated, taking a second to figure out what he meant. He withdrew, then slammed back into her bosomy fuck tunnel, his engorged cock all the explanation she needed.

Could she? Just a few months ago, when she went to sleep at night dreaming about having bigger ones, praying for the boob fairy to pay her a visit, it would've been impossible. Now, though, on the outer edge of a D-cup according to the tape measure

at Victoria's Secret, she had faith. It was just...weird. Could she really do that now, even for a guy? Suck her own tits?

The decision wasn't hard. Todd, however, was, and just watching her pull her tit closer to her mouth made his eyes bulge.

"Aww yeah, Sheila," he begged. "Do it."

It wasn't tough. Easier than reaching the head of her boob-sessed partner's semen-seeping tip.

And, it felt so fucking slutty. Here, though, in the house instead of school? Slutty felt right.

Todd stopped thrusting, staring as she parted her lips, holding them over her dark buds.

"Does it help," she continued, trying to sound like she belonged in a porno. "To make you jizz on me?"

"Hunh!" Todd grunted, his whole body going stiff. Sheila was sure that was it, the warning that he was about to shower her with ball butter. But, he survived, his cock trapped in tit, practically turning purple.

"I want you on your knees," he told her. "Will you?"

Sheila did, believing he wanted to finish in her mouth. Maybe even watch her guzzle his load. Tit man to the core, though, he put her hands back on her sweater-stretchers, and forced himself between them, Sheila's nipples tingling.

"Can I cum on them?" he asked.

**"Oh, man," Todd grunted, holding up for a second, letting Sheila's tits cradle his shaft. She leaned forward, lapping at the tip of his cock.**

"Is this what you want?" she asked, holding off a second longer. Todd nodded, unable to blink.

Her lips closed, the heat radiating off her throbbing nipple. She watched Todd watching her, his prick twitching between her tits.

"Turns you on, huh? Watching me suck them?"

Todd nodded again, apparently having lost the ability to speak. His hips bucked slightly, almost as if he couldn't control himself. Sheila believed it.

She opened her mouth, a stringer of spittle stretching from her lip to her nip. Again, Todd's hips bucked. A gob of pre-jizz burbled out of his tip.

Any minute, Sheila thought, and I am gonna be wearing his cum.

"You're close, aren't you," she stated. Todd swallowed hard.

"Yeah. Real close."

"Bet you need to cum really bad, don't you?"

"You have no idea," he confessed, beginning to work her tits again, his pace slow as he tried to hold out.

"Does this help?" she asked, narrowing the gap between her breasts even more, moving from one to the other, nipple to nipple, circling her dark, crinkled areola with her fully-extended tongue.

Todd started to jerk, his mouth hanging open.

"Shoot on your tits?"

"Hmmmmmmmmmmmmmm," she said theatrically. Rubbing her boobs up and down against his gooey junk. "I guess that'll be okay."

She wagged her tongue at him, and that was the final straw. Todd's pecker plunged into the cleft between her boobs. A hot wave of ball cream rode up out of her cleavage, splashing against the underside of her chin.

"Ohhh, it's so warm!" Sheila squealed, ropes of jism landing on her knuckles, spurt after spurt erupting from his prick, thick wads of cum spraying across her perfect tits.

It was good three minutes ago, she thought. This tit tug should be twice as good now...

She parted her boobs slightly, just enough to let Todd's nut butter crest over the tops of her twin-Ds. The added treat this time, was the taste of Todd's load. Freshly sucked off her heaving boobs.

His cock spat out another, slightly weaker, wave of sperm. He jacked out a couple more, his dick finally starting to flag. He collapsed beside her, completely spent.

"Poor Greg," he remarked, wiping his brow. Sheila looked around. Jizz was all over. Not all of it had landed on her boobs. Or her face. Or her belly. Jesus, but Todd could cum a lot!

"Not a big deal. I'll clean up. He won't even notice."

"Oh. No, not that. I meant, I left him at work all alone. The place is going to be a madhouse with only one of us there."

Sheila laughed. They'd been going at it for over an hour. Her boobs were still on fire.

"Well, you better get going. Besides, my mom'll be home in half an hour. Finding us up here like this? Would not be good."

"You're probably right," he said, getting his clothes. He tossed her Greg's sweatshirt to clean up with.

"Nice try," she conceded.

"When's your mom work next?"

There was no mistaking the hopeful tone in his voice. Sheila barely got her jeans zipped before she felt the spread of dampness down there.

"Monday...why?"

"I've still got days coming, if you wanna get together again. Dave and Tina work Monday, too, so Greg could pick up my shift."

"So, you'd come over here?" she asked, invading his space and putting her arms around his neck.

"Sheila, wherever you want me to cum, I will."

She kissed him, laughing, before having to push him away.

"Go on, get out of here. I've got to clean up!"

"See you Monday, then?"

"Monday. Oh, and Todd?"

He turned back, waiting.

"I promise. I'll think up some other places you can cum."

He took a step toward her, but she shook her head, pointing. He sighed, leaving reluctantly. Sheila waited until she heard the door slam before yanking the sheets off Greg's bed. On the way down to the laundry room, she took the Yeti cup she'd been blocking from view and left it on her nightstand.

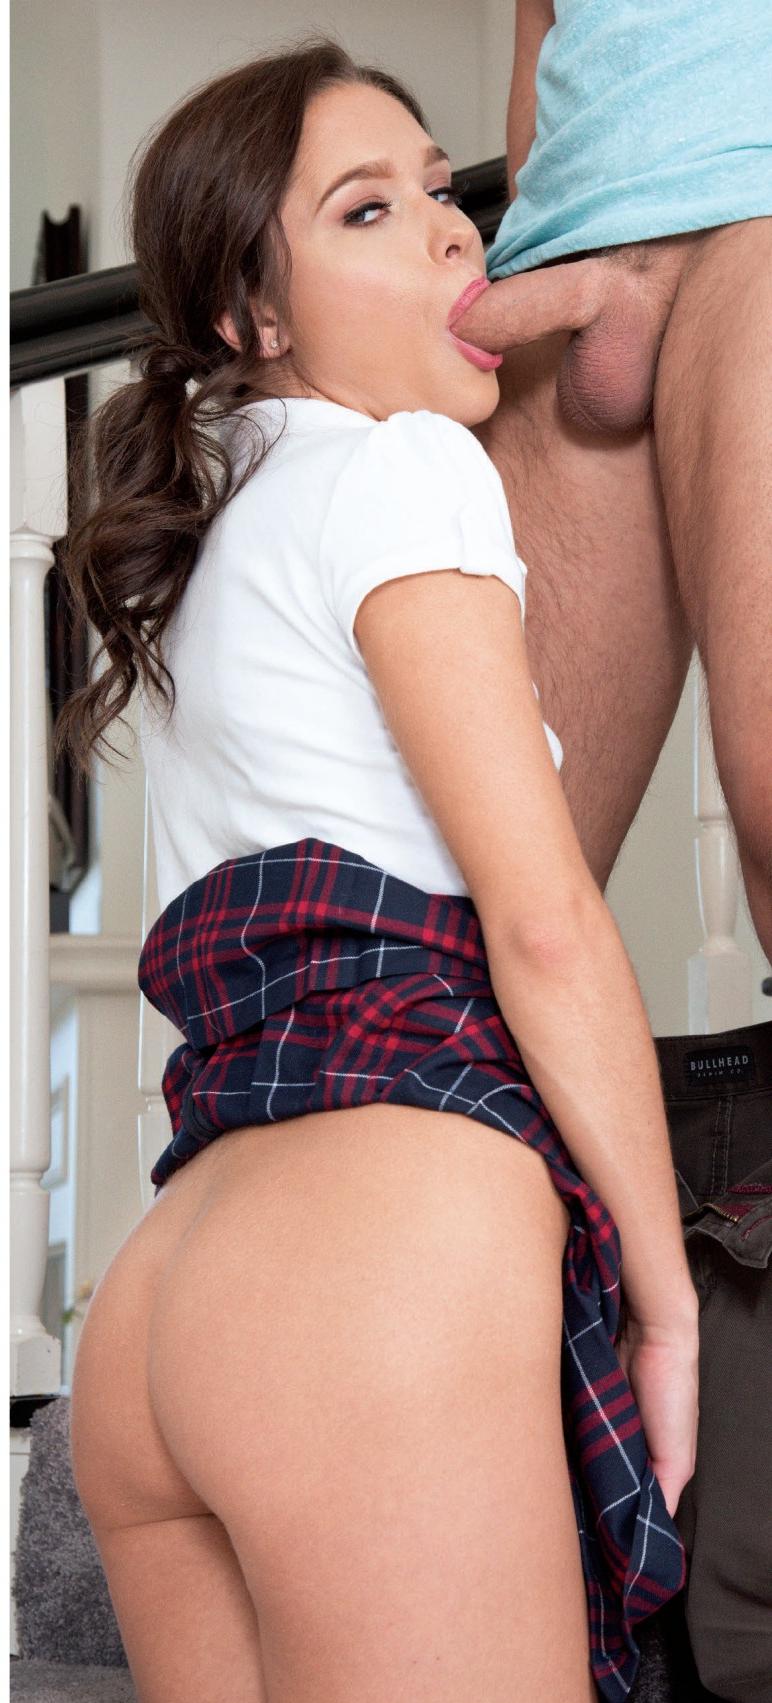

At the very least, they wouldn't be fooling around on sex-stained sheets.

Maybe.

ZOE:  
**Going For A Ride**

### Zoe gets a ride to pound town.

Zoe is stranded on the side of the road when her brother's friend rolls up to give her a ride. She wants to repay him for his kindness, but her intentions aren't purely selfless. She's had a crush on him for a while and wants to find out what he's packing. Once they arrive, Zoe sits on his lap. She can feel his hard-on and goes in for it. She takes out his cock and bobs her head up and down as he thrusts into her hungry mouth.

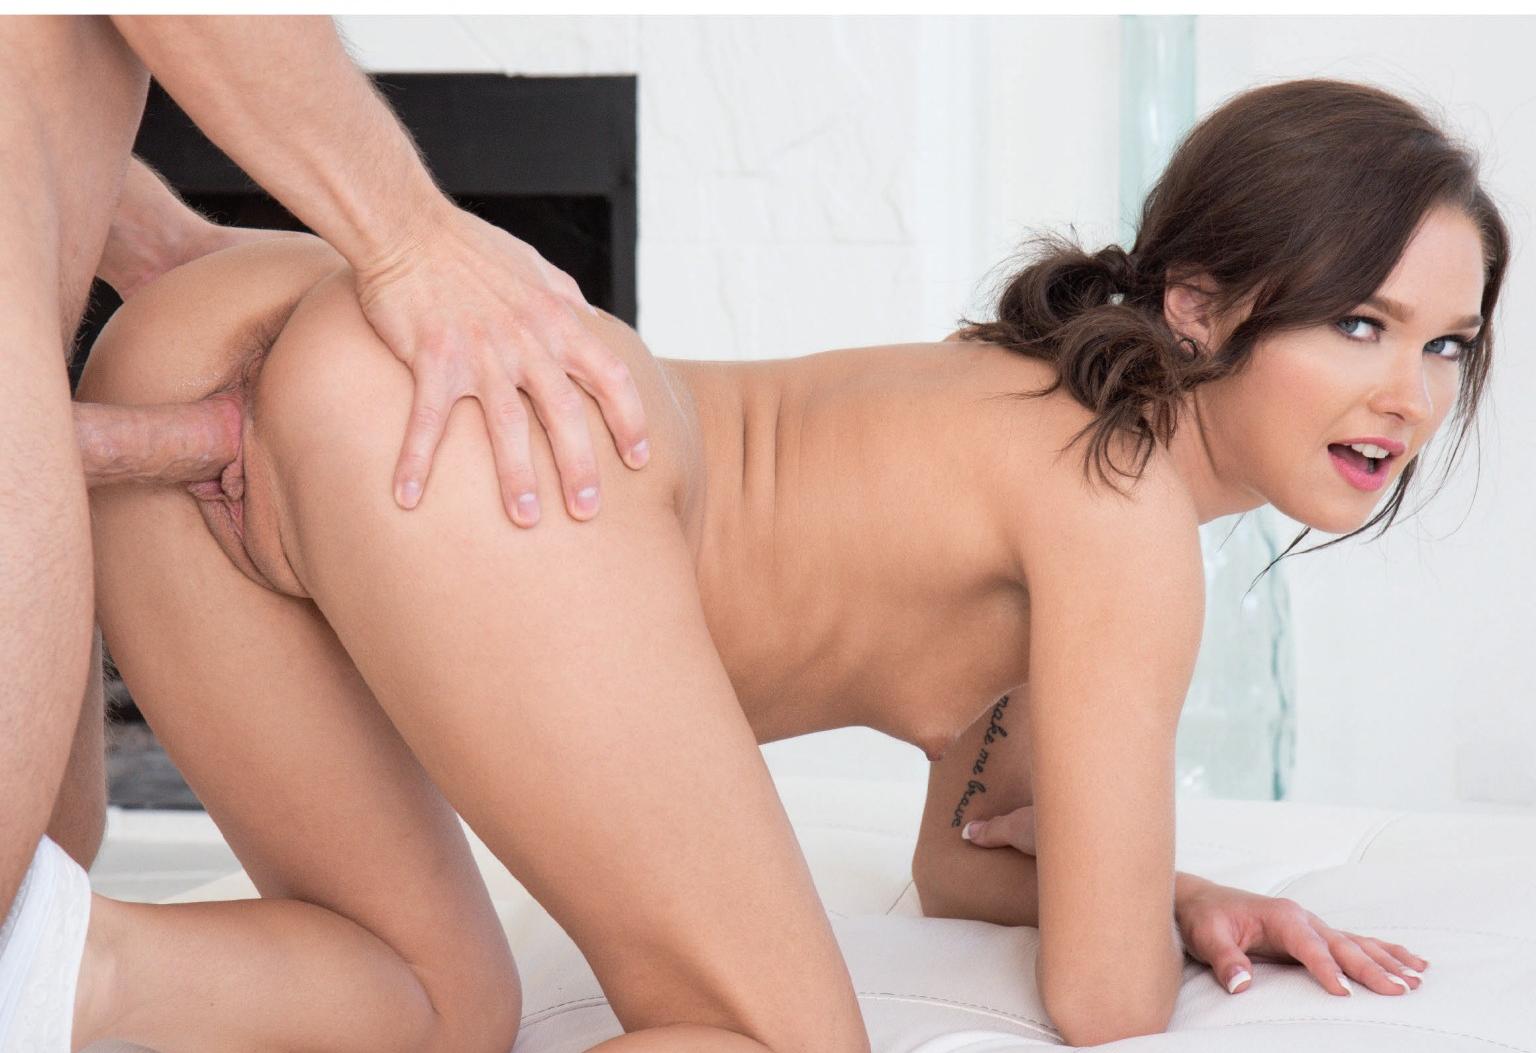

## Did your bro's friend put up a fight?

"He was scared 'cause he didn't want my brother to find out. But he gave in pretty easily when I showed him my panties and started rubbing his cock through his pants. And then he forgot all about my brother once I started sucking his cock nice and deep."

**She's thrilled to finally sample her crush's cock.**

The sex is fast and hard right from the get-go, just how Zoe likes it. They fuck in a variety of positions, and Zoe is on a mission to make sure she cums—twice!—by diddling her clit as she gets pounded. Once she's gotten hers, Zoe gets down on her knees and gladly takes his load on her pretty face. You can watch the hardcore video online at [18eighteen.com](http://18eighteen.com).

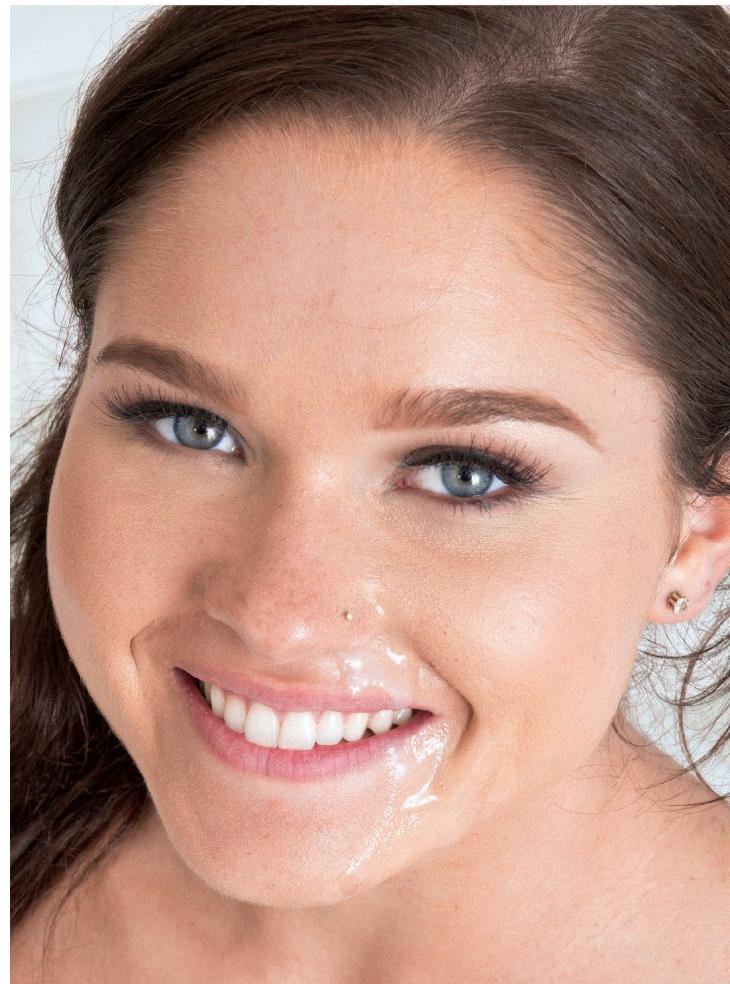

**Does your brother have any other friends you'd like to fuck?**

"Oh yeah. He has tons of hot friends. I want to fuck just about all of them. In fact, I want to have a gangbang with them. I'd love to have one in my mouth, one in each hand and one in my pussy. Then I'd want them to jack off at the same time and completely cover me with their cum."
